## Graphic Designer

Highly self motivated and detail oriented worker searching for a position with a graphic design firm. My imagination and fresh ideas are ready to be at your service. I learn best through experience and I catch on quickly. Sketching out ideas before starting on a project is my ideal process. Creative problem solving and working well with others are more qualities that I will add to your design team. I am a creative and hard working individual that is ready to be challenged by a company.
